

RESPONSIBLE PRACTICES IN ONLINE BEHAVIOURAL ADVERTISING

How EDAA's self-regulatory programme benefits your business

The European Interactive Digital Advertising Alliance (EDAA) delivers a future proof and technology-neutral self-regulatory programme in online behavioural advertising (OBA), developed with and for the online advertising industry. With growing concerns around privacy, advertisers are looking for business solutions to rebuild consumer trust through enhanced transparency and user-control. Our framework allows your business to complement existing legislation, whilst ensuring that the online advertising industry continues to help Europe's digital sector thrive and innovate.

THE GOLD STANDARD IN ONLINE BEHAVIOURAL ADVERTISING

EDAA's programme enables companies to leverage the full benefits of OBA for clients while adhering to effective principles of transparency, choice and control.

HOW IT WORKS: IN 3 STEPS

STEP 1 JOIN THE PROGRAMME

Be transparent: use the OBA icon; get listed on youronlinechoices.eu.

STEP 2 SELF-CERTIFY YOUR BUSINESS

Demonstrate compliance within six months of joining the programme.

STEP 3 INDEPENDENTLY VERIFY YOUR COMPLIANCE

Within eight months of joining, you can receive the trust seal highlighting your compliance to the market.
